How has the scholarship positively influenced your high school experience, both academically and personally?

I'm very grateful to Sasria for offering me a scholarship as my mum would not have been able to afford the private high school fees in this community as an alternative to there not being enough public high schools.

In what specific ways do you feel the scholarship has helped you overcome challenges or obstacles in pursuing your education?

I feel more driven and passionate about my education knowing that there is an organisation, Sasria, that believes in students like myself.

Can you share any notable achievements or milestones that you attribute to the support provided by the scholarship?

Accessing daily online lectures, multiple sources of study materials, weekly progress check-ins and guidance with support coaches.

Based on your personal experiences, why would you advise other learners to apply for a scholarship at UCT Online High School?

If you want to be the best, align yourself with the best. UCT Online High School was the best choice for me, and could be for others too.

In your opinion, what critical needs or opportunities does the scholarship address, and why is it essential for learners such as yourself?

This scholarship helps students coming from a disadvantaged background that might not have had access to online high school studies as an alternative.

I've achieved a lot ever since I got a scholarship, I'm always focused on my studies and my behaviour is always on top.

Based on your personal experiences, why would you advise other learners to apply for a scholarship at UCT Online High School?

I would advice them to apply for the scholarship because it helps with finances but it also helps you keep your grades on track.

In your opinion, what critical needs or opportunities does the scholarship address, and why is it essential for learners such as yourself?

It's essential for me because it challenges me with keeping my grades on track and also behaving in my sessions.

Xavier

How has the scholarship positively influenced your high school experience, both academically and personally?

This scholarship has been a huge opportunity for both myself and my family. It has allowed me to attend a really amazing school, and has taken a lot of stress off of my parent's shoulders when it comes to the school fees. This has truly been a huge help and made a big difference in both my parents' and my own life.

In what specific ways do you feel the scholarship has helped you overcome challenges or obstacles in pursuing your education?

I feel that the scholarship has helped overcome a specific obstacle, that being payment of school fees. I'm not sure I'd even be able to attend UCT Online High School without the scholarship I have been provided.

Can you share any notable achievements or milestones that you attribute to the support provided by the scholarship?

This scholarship has allowed me to participate in a schooling environment, as well as join in on the Virtual Clubs offered. I have been given the opportunity to host one of the sessions for the Music Appreciation Club, which I view as a big achievement.

Based on your personal experiences, why would you advise other learners to apply for a scholarship at UCT Online High School?

It allows a person, who otherwise would miss out on the opportunity to attend a high-end schooling provider, the chance to be able to pursue schooling, as well as to not miss out on their right to education.

In your opinion, what critical needs or opportunities does the scholarship address, and why is it essential for learners such as yourself?

I believe that the scholarship adds to my drive and motivation to succeed academically, and achieve what I know I am capable of and more.

How has the scholarship positively influenced your high school experience, both academically and personally?

Academically I found out how hard is it in high school. I didn't expect it to be so hard and difficult but it's good, I am learning new things I didn't know. Personally I was scared to start high school because It just wasn't what I was used to and it was frightening.

In what specific ways do you feel the scholarship has helped you overcome challenges or obstacles in pursuing your education?

I feel the scholarship has helped me improve academically because it helped me be a good and behaved learner.

Can you share any notable achievements or milestones that you attribute to the support provided by the scholarship?

My achievements are that I got 3 one hundred percents and that I am a fast learner.

Based on your personal experiences, why would you advise other learners to apply for a scholarship at UCT Online High School?

I will say apply for a scholarship because it's a good high school and you can learn at home as well because it's an online high school.

In your opinion, what critical needs or opportunities does the scholarship address, and why is it essential for learners such as yourself?

The problems I faced are using a laptop, network issues and a little bit of subject issues like Technology , but the opportunity that came up is that I am good at Maths and EMS so I think I can qualify to be an accountant.
